

Breve roteiro de criação e compartilhamento de arquivos no Google Drive, para arquivos em tamanho superior aos suportados por e-mail.

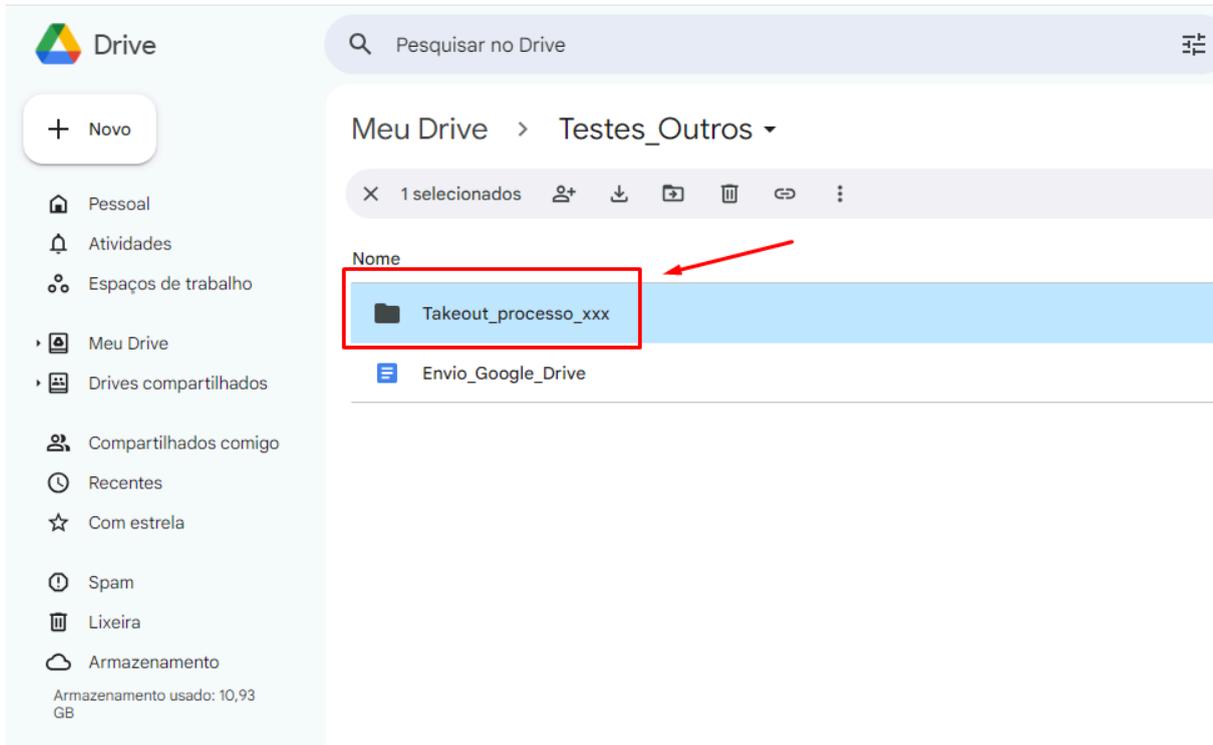

Acesse sua conta Google Drive:

<https://drive.google.com>

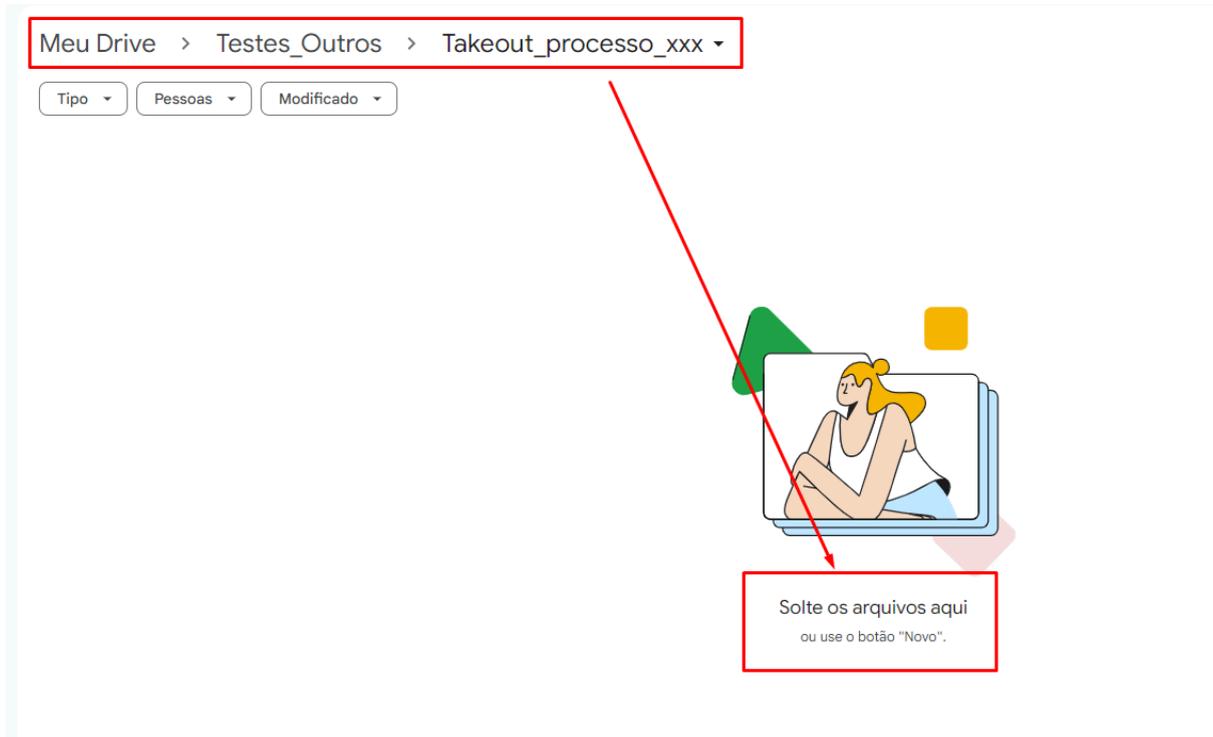

1- Crie uma pasta que identifique o processo

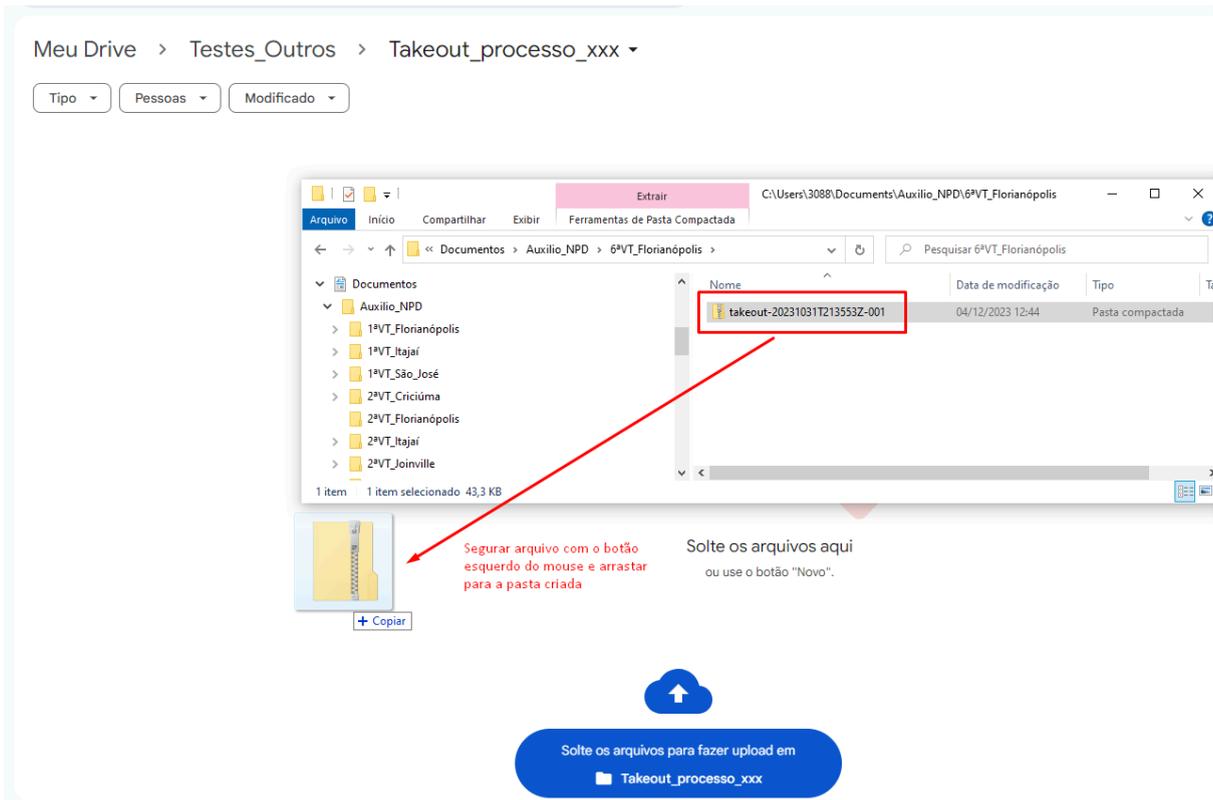

2 - Acesse a pasta

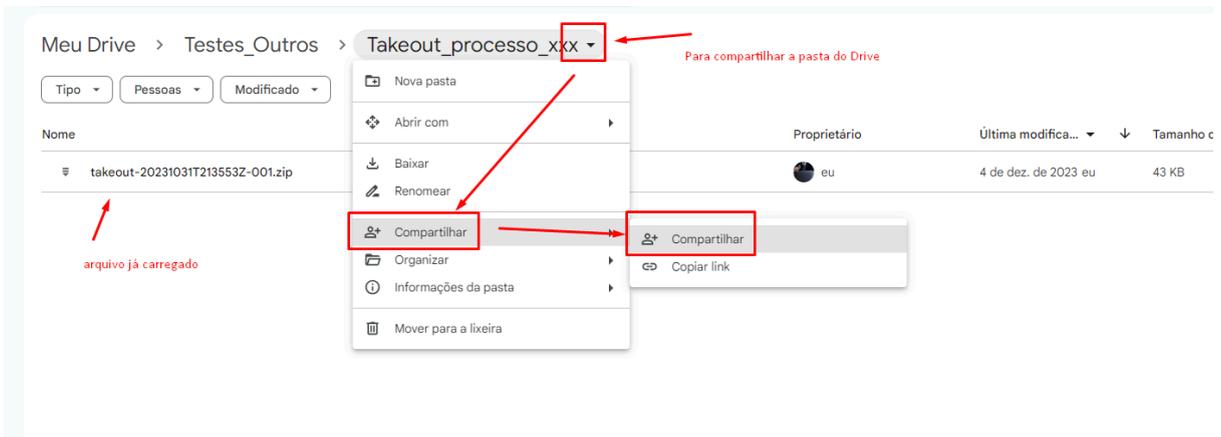

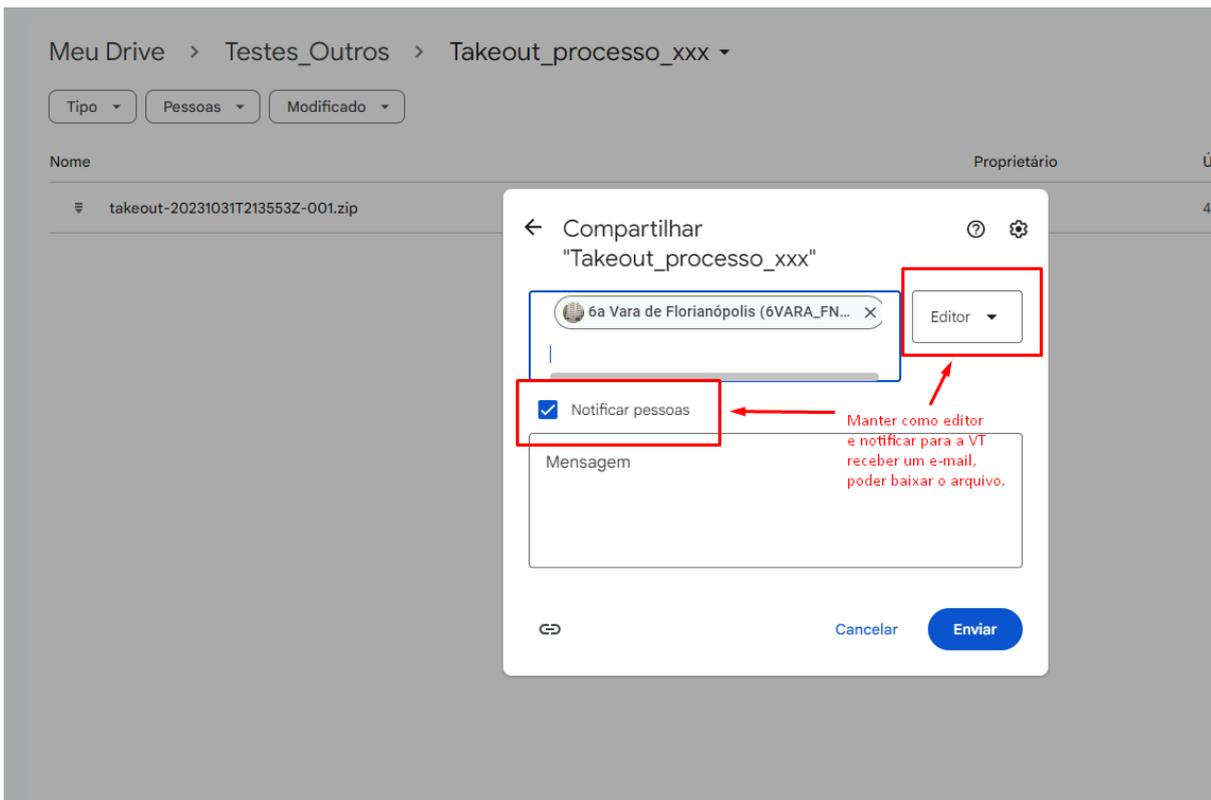

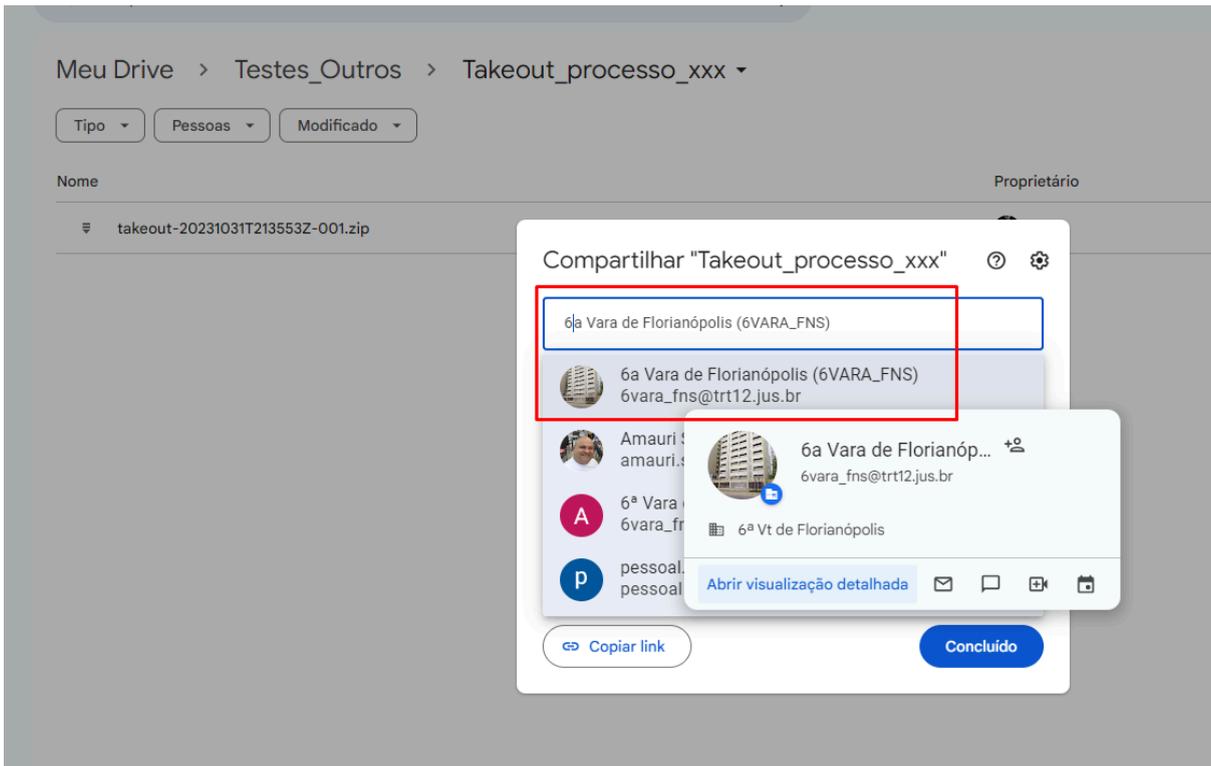

3- Arraste arquivos para a pasta

4- Compartilhe a pasta com a conta que deverá receber acesso (conta da Vara ou indicada por ela)

Por fim, clique em "Enviar".
